The Knot enlisted **AS YOU WISH LLC** for our eco-inspired party in Chicago. Here, we celebrated wedding industry notables and showed off some of the more inspiring ideas of the season.

As You Wish LLC

"We embraced the "go green" trend by selecting a renovated historic building, which was decorated with branches, leaves, and simple pink blooms. Innovative food preparation, exquisitely crafted cupcakes, and a spectacular dance band got all the guests in the mood to celebrate the Chicago wedding season."
